T.I.M.E. TRAVEL WITH THE W.G.M.

Greetings, to each and every one of you, from the Sunny South!

The acronym T.I.M.E. Travelers is designated for D#2 steering committee: Travel Is My Enjoyment. What is more fitting for someone who loves to go? Being your Worthy Grand Matron will certainly give me that opportunity. I am looking forward to traveling to each of your Districts, being able to be with old friends and new. I am humbly looking forward to serving this beautiful Order with Brother Darrell Arthur, Worthy Grand Patron, Brother Charles and Sister Becky along for the journey.

Putting together our Grand Family was such a delight. Everyone appointed, will be a wonderful asset to our "Showers of Blessings" year, bonding with those that are traveling through the Grand line. Additionally, they will get to meet the wonderful members throughout the State of Indiana. I am so excited that our "Showers of Blessings" family is complete, is in this journey together, and I thank you for serving our beautiful Order for 2013-2014. Yes, it takes a lot of time, but the heartfelt bonds and memories are priceless.

We will be in the second year of our "Circle of Stars" membership pin. Once you earn the circle of stars, you can earn smaller stars which can be attached to the circle of stars. Your Deputy and Worthy Matron will also have the information on the point system. Our world is a circle with Order of the Eastern Star known throughout the hemisphere. That fraternal kinship and bond can be found everywhere. We just have to look. Once they know the love, kindness and generosity which our Order has to offer, they will be excited to become a member.

Those of you that have taken on the responsibility of serving on a committee, I thank you. All of these committees are very important for the continuation of service and philanthropy. Our beautiful Order has done many good things for the communities which each one of you serve, organizations that have large tasks either in research or funding, and aiding the residents of the Indiana Masonic Home. Please keep up the great work that you do.

Remember our youth, as they need our guidance and leadership that we can provide. They are the ones who will be our voice in the future. In assisting them with scholarships, supporting their youth groups and providing that leadership, shows that these actions goes a long way!

The IMH project, "Wheels for a Journey" fits in well with T.I.M.E. acronym. A person who is confined to a wheelchair depends on that source for their mobility and independence; therefore, they need a dependable form of transportation. Their travels may be short, but the enjoyment will be great. Be sure to seek out your District chairperson, as she will have all the information for you to help this project.

The "Karing Kangaroo" project is also another link to T.I.M.E. These babies, when brought into the world either too ill to go home soon after birth, early in delivery or for whatever reason, their parents may not have the means to provide a safe journey home. Our objective is to provide car seats for safe and secure travels home.

Please remember all the other funds and projects as they all play a role in our Order of the Eastern Star.

For now, I will leave you with this: T.I.M.E. is for travel and time is for your devotion to our beautiful Order. The time which you take to show to your fellow Sisters and Brothers, the time that you take to assist in the success of the many projects, the time that you take to fulfill your obligations is time well spent.

Until later, I leave you my heart and compassion for our beautiful Order and will strive to do the best that I can to be your Worthy Grand Matron.

The best and most beautiful things in the world cannot be seen or even touched - they must be felt with the heart. - Helen Keller

God Bless, safe travels and always remember: We are all "Showered with Blessings".

Elizabeth Lashley, WGM

NEVER GIVE UP

Greetings to all,

First I would like to congratulate Sister Sonda, PGM, and Brother Cary, PGP, on the great year they had. You did good and left the Order in good shape. For that we thank you.

Sister Liz, Brother Charlie, Sister Becky and I look forward to the coming year with anticipation and some anxiousness. I believe that our Grand Family is a great one and will do us proud. I know that the Sisters and Brothers of our great Order will welcome us and we will all have a great time.

We look forward to our project, Wheels for a Journey. We thank you for your support and feel that it is a good and needed project. We also will be promoting the Karing Kangaroo project. I am sure that all the other projects will get your help and we thank you in advance for all that you do.

Darrell Arthur, WGP

We want to thank everyone that was involved in our installation and all the hard work that you do. Becky and I especially thank District 7 for their efforts and results over the last 4 years. We are so fortunate to have such great friends.

I want to take this time to thank the Past Grands for our installation and their part in it. We feel good to know you and hope that you will help guide us.

I have an idea that I will share at inspections and hope that we have fun with it as well as try to accomplish. It will benefit this great Order as well as give us a good feeling. Oh well, enough of the teasing.

Finally, Becky and I want to thank the Sisters and Brothers for the confidence that you placed in us and hope that we do what is needed. It is with great pride that we serve you and the Eastern Star.

**BLAME BEVERLY, BECKY!**

Becky Arthur, you must blame Beverly Doane and a whole gaggle of gals from District 7 & friends, plus A.G.M. Elizabeth Lashley and your own precious mom, Barbara Musselman, in betraying you with a surprise tea party Sunday, May 5, 2013.

Oh, what fun it was keeping a straight face around you, while conspiring to get the music, decor, treats and the gift of a tea quilt created by Janice Gastineau! While the loss of our dear Brother Wendell 'Chick' Davis, husband of Ellen Davis, PDD, left us all aching, we bonded again with the spirit of Star that Chick exemplified when he donned that red garb just for the love of Ellen & our amusement.

Though it was just supposed to be a light, little lady tea, it became a source of renewed strength for all of us to work in cooperation for the celebration of Becky's contribution to our Order when she served as Grand Ruth and a myriad of other responsibilities and in her continued journey as wife of Darrell Arthur, A.G.P. This occasion also gave us time to reflect and offer loving support of Ellen and others of our family as they meet the trials of life. While waiting for Becky to arrive, we were entertained with violin and keyboard by Barbara Dutton's granddaughter Sarah and friend Nicole.

Not knowing what we had in store, Becky appeared serenely relaxed, if a bit later than we expected coming from her granddaughter's solo performance. (Apparently Becky has family beyond Star!!!!) In spite of all our efforts to 'undo' her quiet manner, Becky went with the flow, as she might say, accepted our mischief with the grace of royalty and delicate beauty of Queen Ann's Lace....a fitting tribute to our Becky.

WORTHY GRAND MATRON'S PRAYER

I pray that human society maintains and cares for the beauty that our Lord above has loaned to us, as He did create the heavens and the earth. I also pray that we can protect and nurture this land for our children and generations to come. Finally, I pray that peace envelops this earthly world and that we can make a difference in sharing these gifts to those less fortunate than us. Always live day by day, exemplifying these important words: “Love One Another”.

I pray that all we do will make a difference to our world and show the love of God for all to see. May the work we do be a light to shine forever and surround us with God's blessings.

TRANSITION

Transition is something we live with every day. Sometimes we realize it is happening and sometimes we have no recognition at all. Yet every day something around us is changing. Sometimes the transition takes several years, and other times it is abrupt. My father complained for six weeks when his local bank first required pre-numbered checks. Today we think nothing of it, very commonplace, and we have even moved past that by using so many electronic transactions. We accept using plastic cards instead of cash because of convenience, quickness, and safety. You don't carry a thick stack of bills, just swipe a slot or insert the card, the system takes care of the transaction, and you still receive a receipt giving all the details.

My father was against electronic usage. He would never have a computer or a cell phone. He didn't believe you could move money electronically so he never allowed automatic deposits. I do not know what he would do now that all federal funds are moved without a physical check. You see that is transition and most of us never even blinked when we set up our first auto deposit or payment. I lost business from an 81 year old man because the bank where I worked did not offer on line banking. He said he liked to pay his bills about 10:00 P. M., did not like to use time writing checks, and did not see any reason to have to visit a bank when he could do it all on his computer at home. Big contrast, but that is the way we are about change – some make the transition effortlessly and others hold out until there is no other alternative.

A few years ago Indiana Grand Chapter started a transition, moving the STAR-LITE newsletter from written to electronic form. It was a big shift, and accompanied a change to a new website. At the time this transition was made only three percent of the membership was paying the \$10.00 annual subscription fee to receive the newsletter. That is not a large part of the members saying they would pay to have 10 issues per year delivered to their home, business, or lodge. A few members paid for a copy to go their home and paid for another copy to go to their lodge for display. We can accomplish the same thing today by going to indianaoes.org, reading the STAR-LITE on line, or making a copy to read and taking a copy to the lodge.

This year the Star-Lite Committee will transition from being order takers for subscriptions to being reporters for the newsletter. The Worthy Grand Matron believes this is a great way for the news of each District to be broadcast throughout the state and that more members will find out what other areas are doing – to promote Eastern Star, 50 Year Awards, chapter anniversaries, and the list is endless. The Worthy Grand Matron and Worthy Grand Patron will continue their monthly letters to the members. Receptions and Special Events will continue to be printed. District Reporters will be encouraged to take pictures and submit with information. This is transition. It is not perfect. It is not a stopping point. It is change, and it will continue to evolve. Some things will work, maybe for a while, and then they will need to be tweaked again.

Another part of the transition for STAR-LITE is to implement a great new way of informing the membership that the next issue of STAR-LITE is available. It is simply compiling a list of emails formed into a group that is sent saying STAR-LITE is available. A link in the email to click on goes directly to our indianaoes.org website. It may take a while for this to be perfected but we believe it is very workable.

During the year we will investigate what other Grand Chapters are doing with newsletters. We will report on other ways to provide written copies to those members who do not have a computer or access to one. Indiana Grand Chapter took a leap forward when STAR-LITE started being produced electronically. But that is not a final product. The knowledge of our Eastern Star members is outstanding in the understanding of how to enhance this product. We are just now learning how to manage this. At the beginning it was stated that this is transition and it is continuous. We look forward to serving Indiana Eastern Star as your Star-Lite Committee and welcome your comments on how to make this publication better for the membership.
