

Greetings Grand Secretaries,
Please share this information on your jurisdiction websites.

We ask that those planning to travel to Washington DC, and may be thinking about a tour of the Perry Belmont House, make tour reservations before or when individuals are making travel arrangements. The Perry Belmont House is quite a popular and busy meeting/event venue and we want to do our best to accommodate tours for our membership that would not conflict with a scheduled event.

Thank you for your assistance,

Yours in Service

Kelly L. O'Malley 😊

Right Worthy Grand Secretary Protem
