

Out on a Limb

"The real secret of success is enthusiasm." ~ Walter Chrysler

When starting service as Worthy Grand Matron, it was my hope that I could attend events and support the youth branches of our Masonic family. I was blessed to attend all three of their Grand Sessions for the 2019 year and to meet and speak to young women and men who are involved in continuing principles of faith, integrity, and service. Schedules collided through the year and I was not able to get to as many functions as I had hoped. And, unfortunately, the 2020 sessions of these groups were affected by COVID-19 and were not held or were part of a virtual event. While I did speak through video media, I missed the opportunity to meet these young people face-to-face and interact with them on a personal level.

This past Saturday, however, I was blessed with the honor of participating as a judge for the Miss Indiana Job's Daughter and Jr. Miss Indiana Job's Daughter Pageant. Armed with masks and hand sanitizer, we met for lunch with the contestants at noon and followed with interviews with each. Reading the biographies, resumes, and the thoughts and aspirations of these young ladies brought a lightness to my spirit. In a time in history when it is easy to find fault in many things, I found hope in the attitude and outlook of the contestants. One young lady aspires to go into an engineering field with math classes that would have required me more than fingers and toes to survive. One young lady spoke of becoming a member of law enforcement as she wanted to make a difference and bring hope to her community. Two young ladies have suffered significant loss and have turned grief into inspiration to reach out to others with similar circumstances. Yet another spoke of being a light to those around her in her school. More than one spoke of their faith and involvement in church activities. All of them, at one time or another in interviews or at the program that evening, spoke of how Job's Daughters has given them confidence to be a better person and to do more for the good. (On a side note, many of them belong not only to Job's Daughters, but to Rainbow for Girls as well.) Each of these young ladies told of being shy, backward, introverted when they first began in the Order. They explained that it didn't take long to become confident within the Bethel and then beyond in their lives outside of meetings. Through the memorization of their ritual work, time spent in fellowship with other daughters, and encouragement of mentors, they found excitement and confidence. Their enthusiasm was contagious.

As I reflect on the day's events I am reminded of the enthusiasm we have when we first join the Order of Eastern Star. I thought of how we were eager to learn the lessons and how we wanted to join in on the work and service our chapters provide to our community. We were excited to meet the people that we were told would now walk with us through whatever would come our way. Our Sisters and Brothers reached out to welcome and guide us. I'll go out on a limb and say that many of us can name one or two who influenced us in a very special way.

Today, in the beginnings of meeting together again after pandemic, our Chapters face the challenge of rebuilding. Sisters and Brothers, I put forth the challenge for each of us to remember the enthusiasm we once held for our Order. Perhaps you still hold that enthusiasm, or perhaps it has lost a bit of its fervor in this time apart. I challenge you to remember the excitement of being with family. Remember the sense of accomplishment in work well done and the joy of serving others. Rekindling his enthusiasm will pull us back to our core values as members of the Order of the Eastern Star. It can help us gain a contagious enthusiasm that may spread to those who may have lost theirs or are looking for somewhere that can give them some. We can rebuild. We can come through the days of COVID-19 stronger. Don't be afraid to show your enthusiasm. You never know, you might be the fan to the flame.

Living a Legacy of Hope ~ Jenny

WGM side note: Let us continue our support for our youth groups. They are doing great things! If you have the opportunity, talk to them and listen. They will amaze you and bring you hope.

Greetings from the nest! Here I am writing another article in year number two as Worthy Grand Patron. The Star-Lite is a great way for us to keep in touch with our membership throughout the State. We are very fortunate to have members such as Amy Ogrentz and Nancy Pratt who give their all to bring this magazine to us. Keep those articles coming to them so we know what's happening in your Chapters and Districts.

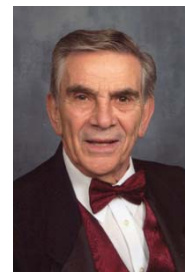

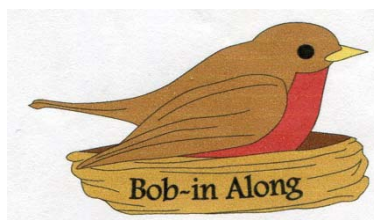

Now that Chapters are meeting again, we need to continue following the guidelines of our Most Worthy Grand Matron and our own Worthy Grand Matron. With facemasks and social distancing, we may continue to come together with caution. I find it interesting to check out all the different designs and patterns of facemasks people are wearing. Sister Deby Thomas, PGM, is making facemasks with the Eastern Star and Masonic emblems embroidered on them. This just shows, with the right attitude, we can make something fun and positive out of a necessity. As the old saying goes, 'if you are given lemons, make lemonade'.

Autumn officially began September 22. This is a favorite time of year for some folks when the leaves are changing colors and the temperatures are cooler. Farmers are busy in the fields and homeowners are preparing for the winter months. The fall season takes Indiana's beauty to a whole new level. Even with social distancing, we are able to enjoy some of these great sights of fall on an afternoon drive. You might even pick up a pumpkin or two along the way. I've looked up a few of Indiana's places of interest. In the north we have Indiana Dunes State Park in Chesterton; Potato Creek State Park in North Liberty; Shipshewana in Amish Country. In the East is Whitewater State Park in Liberty; Versailles State Park in Versailles; Clifty Falls in Madison. In the south is Brown County State Park in Nashville; Spring Mill State Park in Mitchell; Hoosier National Forest starting in Bedford and running south to the Ohio River. In the west are Parke County, Amish country and covered bridges, and Turkey Run State Park in Marshall. These are just a few for your consideration. Wherever you go, what ever you do, enjoy the season.

Thanksgiving is a short time away when family and friends get together to give thanks for all their blessings. Living in the United States of America where we have freedom to own our own homes, freedom of religion and so much more gives us all a lot to be thankful for. Remember to vote in November and help keep that freedom. People are not trying to leave the United States, but are trying to get in because it is the greatest country in the world.

I'll leave you with this;
 What happened when the turkey got into a fight?
 He got the stuffing knocked out of him!
 Melody and I wish you all a healthy and Happy Thanksgiving.

Denise "Dino" Sierp, Director of Development & Outreach of ICAN, is recognizing OES for their contributions to the ICAN Service Dog program. There will be a virtual "Wine & Wags" fundraiser that everyone is invited to view and OES will be recognized for their partnership with ICAN during this event. Details are elsewhere in this issue. She sent pictures of each dog and each dog wrote a little bit about themselves. Some are quite chatty!

LOUIE - Louie was the first dog given to OES for their generous contribution in June of 2019. WGM Diana Surfus kept his birthname, which was Louie. Please note in the photo I included his vest with the patch of the OES Service Dog project. Each of these sponsored dogs wear this patch on their vest during their two-year training. When a dog graduates, the patch is then given to the client who receives the dog.

"Woofie Woof Woof! This is me, Louie! I am the "King" Eastern Star dog because I was the FIRST dog to be sponsored by this awesome organization! I have done a lot of

traveling around the state meeting so many of you and miss doing so since this human thing called Covid has been messing things up! But I am so handsome and everyone says I look like my half-brother Charlie! I'm going to graduate soon. I was born on July 18, 2018 and just turned two. They call me the Sun dog (but then I was born in July so my horoscope is Cancer!) 'cause I love to lay in the sun for hours and just watch the birds fly over me! I've been working on my barking manners 'cause I like to Woof at things that make noises or when I see new things. I can't help it that I like to talk so much! I am already in my Level 3's where I am learning things that will be specific to a client's needs - like getting their wheelchair, putting a blanket over them when they go to bed, retrieving anything they need like a

phone, a drink from the refrigerator, their remote - you name it! I hope to see all of you soon!! Sending sloppy wet kisses to all of you!!"

CHARGER - "Woof! They call me Charger and I am one handsome golden retriever!

OES District 15 has sponsored me. All of the girls (humans and two legged) fall in love me because I have these adorable eyes that

will melt your heart. I was born on 5/27/19 and my birth name was Woyjeck because I was named after a brave fallen forest fire fighter who died in the line of duty. I have a very calm and soothing personality compared to these other ICAN dogs. I listen well, love to learn new cues and I LOVE the snow, taking walks, picking up a toy to greet people and I am doing so good in my Level 2 training. I love my handler, Patrick, and credit him for teaching me so many things. I am his 2nd dog so he works really hard and I want to make him proud of me. He told me one time that he has never felt "proud" before and it wasn't until he was sent to prison and became part of the ICAN program, did he feel like he was worth something. I love on him and tell him that we will get through this training together and he will be proud of his accomplishment with me. I am doing everything in my doggone power to make him feel that life is a wonderful thing and dogs only make it better!"

MOOCH - "They call me Mooch and my sister is Lucy. OES District 4 has sponsored

me. We were part of the Game of Thrones litter! I am one of the younger Eastern Star dogs and was born on January 25, 2020 and my birth name was Yara. Due to Covid-19, I have not

been able to start my training inside the men's prison, but I just found out I am going next week! I can't wait to meet my new

ICAN News

handler and I have had so much fun with my puppy raiser, Ana. She is SO SMART and has taught me so many things already – like sit, stay, down, den, watch, and more! I can't wait to go to school and show everyone how much I have learned so far! Being puppy raised by Ana has introduced me to so many experiences – like learning to be around a cat! I have learned to not LOOK at that cat! I just turn my head and move real fast away from him! I have gone to church with her, on walks and even to school because she is in college and studying to work with animals like me! I look forward to meeting all of my Eastern Star friends when I come out on furlough. Waggin' tails, Mooch"

LUCY – “My name is Lucy and OES District 9 & 14 have sponsored me. I was named after Lucille Ball and this really special lady called Lucille!

Some say I have the personality of I Love Lucy and, of course, everyone LOVES me! My birth name was Lyanna. I like to people watch! Sometimes when my pup starter, Lori, takes me on walks I just stop to watch those humans who are running real fast or are on those funny things called skateboards. I also got to be friends with her dog, Millie, who at first was kinda stuffy with me, but now she has warmed up to me. I like to get down on my four legs and stalk her! She then runs around the room and I get to chase her. We have become such good friends! Lori has introduced me to so many things that are important for me to experience as a puppy – door bells, vacuums, drills, sirens, those things called weed trimmers, blenders – you name it! And I am SO GOOD. None of those noises phase me a bit, BUT I am curious what they are and how they make that noise!! Like my brother Mooch, I am one of the younger sponsored pups and excited about meeting my handler who is going to teach me so many things. I know he is waiting on me and I plan to spend a lot of time giving him puppy kisses and lots of wagging smiles!”

THOMAS - “Hi! My name is Thomas. I was born on June 16, 2019 (notice my cute birthday photo!) and my litter was called the “Bear Necessities Litter!” They named me Smoky after that Smoky the Bear fella who became famous on TV so that makes me very special. OES District 6 has sponsored me. Cody and Winnie are my siblings, but I am the smartest one in the whole bear bunch! I LOVE sticks! But not the kind

you find in the woods because those could get stuck in my lungs, but I love anything I can chew on! Buddy sticks, Kong's, balls, you name it! I also love to run and play fetch and I am doing really good with my Level II cues! Like I said, I am the smartest one in the entire BEAR Bunch! My handler's name is Hannah and she is so nice. I love being with her and all of my dog friends at the prison – we have gotten so close. I know my day is coming soon when I will graduate and I will miss all of them. But I can't wait to meet my forever human friend that will need my help and provide them so much independence. I will change their life!”

CODY – “Ruff, ruff! My name is Cody and I was named after a Kodiak bear! OES District 13 has sponsored me. Like my brother Thomas says, we are all part of the Bear Necessities Litter

and he is not as smart as he says he is because he is always chasing cats and I don't chase cats! You just don't mess with a cat and he has yet to learn this! Anyway, all of the furlough volunteers say I am an amazing dog. I love to cuddle and some say I could become a professional lap dog if I wasn't being trained to be a service dog. My last

ICAN News

furlough volunteer, Megan, said that I can talk in my sleep in any position. She even finds me in the back of her car with my head hanging over the seat snoring away! I know my Level 2 skills really well, but she said one thing I have to work on is my floor surfing and wanting to put things in my mouth all of the time! I barked at her and told her it was a dog thing and we love anything on our level! I love to play fetch, play with other dogs and my most favorite is sleeping at my human's feet."

WINNIE –
"They named me Winnie and it IS my birth name! OES District 11 sponsored me. My

siblings are Cody and Thomas and I too, was part of the Bear Necessities litter! My friends at the Eastern Star thought I should keep my special name especially since I was named after the infamous Winnie the Pooh! I have had so many adventures so far besides meeting such wonderful Eastern Star friends, and oh my, they make the BEST waffles in the whole wide world! I was puppy raised by a former Marine named Nick, and Nick has a service dog named Festus! I asked them to use this photo cause it's me and my BFF Festus. I was pretty young and I am still as beautiful as I was in that photo! Festus is SO SMART. He taught me so many things about becoming a service dog. One thing he always told me was, 'Winnie – you gotta remain calm and listen to all of those cues! Those cues will someday help someone like I am helping Nick. I believe in you Winnie! I know you are going to be the best doggone service dog ever!' I am working so hard to follow in his footsteps. I get a little over excited at times so they are working on this with me now. But I gotta say, I have had two of the best teachers like Festus and Nick and I love everything I am learning by my handler, Jerome."

IMH New Residents

Rod (Rodney) and Shelby Williamson came to Compass Park by way of Avon, IN. Chicago, Denver and Houston are just a few of the cities in a long line of residences for this very social couple. They returned to Indiana to be with family. The same is true for their employment histories. Rod's was in finance and accounting working for many companies, and Shelby was in public relations administration employed where they lived. Their personalities and easy relationship with each other make conversations very fun. They are one of the new residents of the Young's Creek apartments. Shelby refers to it as living in the White House as they live in the north end of the building.

Rod is a member of the Lodge #26 in Avon, IN. His interests are photography, hiking and reading. I'm sure he will be a frequent presence in our library when it opens. Shelby said her interests were being social and "digging in the dirt". I'm sure some of us can relate to this interest. They will know all the people in the Young's Creek apartments as fast as they move in, frequently greeting walkers or others who use our campus for exercise, from their balcony. They walk the campus and city daily.

The couple do not have children, but count their many nieces and nephews as their children. They are a welcome addition to our small community.

IMH Community Garden 2020

In early spring the maintenance department prepared a plot for the residents to start a new summer garden. Anyone wanting to participate was welcome. Together Jackie and Russ Miles, Yolanda Hughes, Carolyn Cook and Tina Phelps together are all raising a very productive garden. Sun flowers and marigolds bring the garden to life with color. There are rows of corn, tomatoes, green beans, lima beans, small round and long watermelon, pumpkins and squash, each day amazingly brings new growth to many plants. There is a scarecrow in the garden that keeps the birds away. The garden has brought residents together and as it grows

and thrives more people will be interested in participating next year.

The Little Blonde Dog with the Purple Collar

The “Little Blonde Dog” lives with Oren and Joann Demaree in South Village at the Indiana Masonic Home. She became a member of their family six years ago. Now 12, the Demarees adopted her as a rescue. Soon after adoption Joann decided to change her name from “Darling” to “Lucy Bell”. This Yorkie-Po ended up having to have gall bladder surgery as well as stomach surgery. The stomach surgery was needed to remove a peach pit.

Even though “Lucy Bell” is now blind, she still enjoys playing with her favorite toy, lamb chop, sleeping and eating, eating fruit loops or cheerios, and taking walks around campus as well as practicing kissy face with her friend “Milton”, her Pekingese boyfriend that lives down the street.

Of course, she is always ready to take and ride with Oren in the big red truck where she sits on his lap and licks his arms or sits on Joann’s lap for a snuggle soothing belly rub. Keep an eye out for the frisky, yet blind ball of fun.

Face Masks for Service Dog Project

As a Fund Raiser for the Service Dog Project, face masks are available for \$5.00 each and \$3.00 for postage.

Although only two colors are pictured, all colors are available to choose as a background color. The masks are 3 layers, with a cotton layer in between the polyester layers. They are non-medical grade, washable and very comfortable. To order just email Deby Thomas, GGCCM & PGM at servicedogs@indy.rr.com or mail to 950 N Rangeline Rd., Suite D, Carmel, IN. 46032.

Sing Across America Ended In Indiana

The Harmony Rings Steering Committee of District Ten hosted their third concert, "Sing Across America." East Union Christian Church allowed us to meet in their beautiful facility. The center pieces were made from maps and atlases and the meal was an all american feast complete with chicken & noodles and apple pie. The Sanctuary was decorated with luggage, steamer trunks and road signs. Observing Covid restrictions, we kept a song in our heart, but the words never crossed our lips and socially distanced in our seating arrangements.

The Mistress of Ceremonies for the evening was Sister Angela Hensell, Grand Conductress. Sister Cindy Cohee, PGM, offered table grace and Sister Sherry Johnson, PGM, gave our invocation. Our featured entertainers, Brother Rick Lassiter and Brother Carlton Hinshaw, did not disappoint the attendees with their "Star Spangled" suits! The evening was dedicated to our Veterans who heroically served in our armed forces. Our "tour guides" took us on a musical trip across this great country. Stops in places such as Chicago, St. Louis, California, Texas and various other locations were capped off by returning to Indiana. Occasional "layovers" in our journey were filled with "America" and "America the Beautiful" instrumental

songs. Our final destination was realized when Brother Rick sang "Back Home Again in Indiana."

Following our "excursion," Sister Madonna Meyerrose, PGM, had the honor to present an Honorary Membership to District Ten's Association to Brother Carlton. We are so grateful to Carlton for sharing his time and wonderful talents to support our Steering Committee's "fun" raising efforts.

Another surprise for the evening came from Austin Lodge. Brother Rick was donned with a tux jacket and white apron followed by being presented at the altar. Members of Austin Lodge came this evening to present Brother Rick with his Award of Gold in Free Masonry. We thank the Lodge for coming and allowing us to share in this time of

recognition for our Associate Grand Patron.

The benediction of the evening was the performance of "God Bless America." It was a wonderful evening of music, laughter and "virtual" hugs! It was so good to finally be able to see Sisters and Brothers in person!

District Ten is planning a Send-off for Brother Rick, Associate Grand Patron. Please save the date, May 15, 2021. Our fourth concert will be "Stars On Broadway." Not only will Rick be entertaining us, but we will be giving our best wishes to him prior to Grand Chapter. Please make plans to join us.

New Grand Representatives

On July 8th, 2020, Brother Frank Thomas was awarded a well-deserved Grand Representative appointment to Ohio. He is pictured with his wife, Deby, PGM, Sister Jenny Nicholson, WGM, and Brother Robert DeRolf, WGP. On August 18th, June Roth, WM of Crystal Chapter in District #17, was awarded a Grand Representative appointment of Nova Scotia/Prince Edward Island. Congratulations Frank and June!

Royal Center Donates

Royal Center Chapter #375 in District 18 recently collected food for the Emmaus Mission Center food bank in Logansport. With many chapters consolidating in District #18, Royal Center has members from many different communities so we are collecting food for food banks in several different communities. WM Leila Ferguson delivered the food and a check for perishables after our August meeting.

Cates 50-Year Award

WGM Jennifer Nicholson and WGP Robert DeRolf presented 50-Year Awards to Dale and Annie Cates of Fountain Chapter #204.

Spencerville Presents Dwyer Leadership Scholarship

Spencerville O.E.S. is very excited to announce the winner of our 2nd annual \$500.00 Dwyer Leadership Scholarship to 2020 Eastside graduate and salutatorian Ziyara Hulbert. Miss Hulbert, 18, is the daughter of Zach and Jan Hulbert. She will attend Alma College in Michigan, pursuing a degree in pre-physical therapy.

Due to the circumstances of the COVID-19, Hulbert's grandmother Shirley Shull, Spencerville O.E.S. member, presented this gift at a private family celebration.

Barbara's Birthday

It was a clear night without snow. February is often filled with several snowfalls. On February 19th, a birthday party celebrated the 80th birthday of Barbara Heath, a plural member of Franklin, Ransford and Nineveh Chapters. She has been a member of Franklin Chapter for 38 years. Her original chapter was Switzerland in Vevay in southern Indiana. It closed many years ago.

The tables were decorated with colorful tablecloths and centered with plastic canvas rose candleholders.

Several friends gathered at Franklin Lodge to honor her special birthday. She was given many gifts at this time. A beautiful cake decorated in red and blue on white icing was served with punch. Many beautiful gifts were unwrapped. Her sister, Sandra, read a biography of her life and many facts were revealed.

Fishers Helps at Food Pantry

At our January 8th stated meeting, Fishers Chapter #446 collected diapers and wipes for the Fishers United Methodist Church "Come to Me" food pantry. A total of 63.3 pounds was donated. Diapers are the pantry's most needed non-food item.

On February 25th, 8 members of Fishers Chapter helped sort food at Fishers UMC food pantry. We checked expiration dates on canned goods that had been donated and put them on the shelves by year of expiration.

IMPORTANT MAILING INFORMATION

Please remember to mail all Star-Lite correspondence, including renewals, address changes, Stellar Stars and ads, to Nancy Pratt, Editor, NOT to the address on the back of the magazine. That address is the Grand Secretary's office and we use that address for non-profit mailing rates. The Grand Secretary's office does not keep track of Star-Lite information, the Editor does.

Star-Lite is the official magazine of the Order of the Eastern Star in Indiana. It is published bimonthly (Aug., Oct., Dec., Feb., April, & June) online and in print by subscription. Check your address label for errors in your name, address, and especially the chapter and district number. Report errors and/or corrections to Nancy Pratt.
