The last several months have been very busy in the state of Indiana and every member has been so very supportive!

You have so generously given of your time and resources to support our own Sister Susie Roach at General Grand Chapter, the historic 150th celebrations for our Grand Chapter, and the various fundraisers to support our worthy causes!

Though we had hoped for a greater outcome to support the Service Dog efforts with the bus trip to Niagara Falls, we understand that with the recent flurry of events, the support needed to make the trip a viable fundraising opportunity did not occur. Sister Diana Surfus has mailed your original deposit checks back to you beginning on Monday, July 29, 2025.

In its place, we have arranged an alternative, in-state event that we are asking for your enthusiastic support. Please refer to the accompanying flyer for details and we look forward to seeing you there!
